Students will benefit from thinking about the discipline across a range of geographical and religious contexts. Violence and Crime 6. Based on both classic and contemporary research in the sociology of religion, this new, third edition highlights a variety of research methods and theoretical approaches to studying the sociological elements of religion. He gives religion credit for shaping a person's image of the world, and this image of the world can affect their view of their interests, and ultimately how they decide to take action. She received a Ph.D. and A.M. in Sociology from Stanford University, and a B.A. in Sociology/Anthropology and Economics from Swarthmore College. It explores the ways in which religious values, beliefs and practices shape the world outside of church, synagogue, or mosque walls while simultaneously being shaped by the non-religious forces operating in that world. She has published articles and reviews in the Journal for the Scientific Study of Religion, Review of Religious Research, Sociology of Religion, Theoretical Criminology, Justice Quarterly, Journal of the American Academy of Religion, and Child Development. His teaching and research interests focus on the sociology of religion, social class, and social movements and change. Gender and Sexuality 8. "Race" Ethnicity, Social Class Section 4: Is Nothing, or Everything, Sacred? Advanced embedding details, examples, and help! Max Weber argued that a religious group or individual is influenced by all kinds of things but if they claim to be acting in the name of religion, we should attempt to understand their perspective on religious grounds first. It is therefore a book about 'religion', not 'religions', that explores the relationship of religion with gender and sexuality, crime and violence, generations, politics and media, 'race', ethnicity and social class, disease and disability - highlighting the position of religion in social justice and equality. Each chapter of this book is framed around concrete case studies from a variety of Western and non-Western religious traditions. How can the extraordinary power of a divine god be reconciled with the imperfection of the world that he has created and rules over? Susanne C. This book is essential reading for undergraduate and postgraduate students exploring the sociology of religion, religion and society, religious studies, theology, globalization and human geography. He believes that human beings are troubled with the question of theodicy. This reader is an ideal standalone course text and can also serve as supplement to the text written by the same author team, Religion Matters (Routledge, 2010). Ammerman 14 "I Was a Muslim, But Now I Am a Christian": Preaching, Legitimation, and Identity Management in a Southern Evangelical Church Gerardo Marti 15 Warrior Chicks: Youthful Aging in a Postfeminist Prosperity Discourse Kathleen E.
